

1

Computronics has recently installed the new Outdoor VMS Scoreboard for Scotch College, one of Australia's leading schools for boys.

Scotch College uses Computronics' VMS Scoreboard to display AFL and cricket scores, as well as for their school sports days, which could be used to list scores for all ten teams.

The scoreboard has the flexibility to be easily changed, from displaying graphics such as a school emblem, to a list of upcoming events, as well as other spontaneous and emergency messages.

Scotch College has been at the forefront of education since its foundation in 1897. Throughout its long history, the school has upheld a tradition of excellence that is reflected in a wide and progressive curriculum.

Installation Date: January 2008

The display is a yellow mono unit, Outdoor Variable Message Sign Scoreboard - VMS25-80x112-Y.

Key Features:

- 2964mm wide x 2388mm high
- Displays up to 10 lines x 18 characters @ 175mm character height and various combinations & graphics in between
- Control: Wireless Bluetooth Transmitter Set
- Scoreboard Manager Software - Cricket / AFL
- Multimedia LED 2007 software
- 28 Different Presentation Modes
- Simple Images and Animations
- Current Time Display
- Temperature Sensor to Display
- Current Temperature
- Automatic Dimming

The installation came complete with full local service and support.
